1990 yılında 90 m2 kapalı alanda ALPER SANDALYE adında faaliyete başlayan firmamız 2005 yılında yeniden yapılanmaya giderek, ismini EDAY SANDALYE olarak değiştirmiştir. 4 bin m2 kapalı alan ve 75'i aşan uzman personel ile üretim yapmaktayız.

Birbirinden güzel renk ve model çeşitleriyle, sandalye alanında uzmanlaştık, ürettik ve hizmet ettik. Yılların verdiği birikimle, ahşabın doğallığını ve sıcaklığını mekânlarınıza olduğu gibi yansıtmayı başardık.

Kaliteli ürünleri üretmek ve pazara sunmak ilk günümüzden beri ana hedefimizdir. Bu sebeple üretime başladığımız ilk günden bu yana birinci sınıf malzeme ve işçilikten, koşulsuz müşteri memnuniyeti ve çalışma disiplininin asla ödün vermedik. Bununla beraber sadece üretimde değil, teslimatta da aynı titizliği göstermemiz müşteri portföyümüzün hızla gelişmesini sağlamıştır....
